

ASCLD FRC LEAP Collaboration Award 2022

The Forensic Research Committee of the American Society of Crime Laboratory Directors announces the **LEAP Collaboration Award**. The goal of the award is to recognize an outstanding partnership between LEAP participating academic and operational forensic laboratories.

Award: the winners will be recognized at the 2022 ASCLD Annual Symposium and will receive a plaque. The awardees will receive an individualized electronic award icon that can be use on letterhead, reports, e-mail signatures, etc.

Eligibility: open to scientists from all disciplines such as Bio/DNA, drug chemistry, toxicology, fingerprints, questioned documents, trace/microscopy, firearms/toolmarks, and digital/multimedia sciences in LEAP participating operational and academic forensic laboratories.

Criteria:

- 1) the research is a collaborative effort between an operational and an academic lab that produces novel data, methods, analytical/research tools that contribute to a forensic science discipline such as Bio/DNA, drug chemistry, toxicology, fingerprints, questioned documents, trace/microscopy, firearms/toolmarks, digital/multimedia sciences
- 2) the partnership is a joint endeavor in which both teams made significant contributions
- 3) the partnership results in a body of work that is a significant contribution to forensic science

Note: works that have been published in the peer-reviewed literature will receive favorable review

Application Window: November 8th, 2021 - January 20th, 2022

Application Process:

1. Complete the application, found at <https://www.asclد.org/nominations/>
2. Include a 1 – 2 page description of the research, specifically addressing the criteria
3. Submit the completed application electronically to asclدfrc@gmail.com
